JOURNEY 2 - FLOWERSCAPE

Flowerscape is the therapeutic and revelational flower-communication and flower healing method. A personal journey of self-discovery using the colour, beauty and healing essence of flowers.

Jill shares her motivational story of how flowers healed her life and thereafter she facilitates a process where every delegate engages with a wide range of seasonal blooms in a mindful and magnificently healing way.

In this process it will be revealed why certain flowers align with you and what message and meaning each flower holds for your life.

This unique experience is offered as an entertaining and enlightening entertainment or inspirational event for groups in corporate and private arenas.
